Patient Release Form Concerning
Chaperones During Intimate Examinations

A new rule by the Ohio State Medical Board requires that a physician offer every patient the option of requesting a chaperone in the room when performing a breast, genital or rectal examination. All female patients in our office will automatically be provided with a nurse chaperone male patients wishing to have a nurse chaperone present, please notify us at the time of your appointment.

I have read the above information and understand my rights regarding intimate examination.
